

# **3<sup>RD</sup> ANNUAL IRVING POLICE AND FIRE BLUE CHRISTMAS TOY RUN**

## **SCAVENGER HUNT RALLY EDITION!**

Welcome to the 2021 Blue Christmas Toy Run. For the last 3 years we have gathered together for a common purpose: to ride motorcycles and provide a meaningful Christmas to children all over Irving!

In previous years, we have done a poker run type event. This year, we're going to change it up a little bit to give you more choice in where you go and how much you ride. At the end of the allotted time period (8:00am-12:15pm), you will have chances to win a number of different raffle prizes including a home defense shotgun donated by Roy's Pawn and Gun.

The premise is simple. Go to different locations as listed on the bonus list. Each location is worth a different number of tickets. Often the further a location is, the more tickets it is worth, but spending all your time going to one far-flung location might not earn you the most tickets. There is not enough time to go to each location in the list, so you must plan wisely.

Once at a location, use your camera phone to take a picture of the item listed on the bonus list. When you return to the finish, you will show your photos on your phone to a volunteer scorer and they will award you the tickets you earned. Then you simply go and place your earned tickets in the boxes for the raffle item(s) you want to win! If you earn multiple tickets, you can try for multiple prizes or put all your tickets in one box for an even greater chance to win! Use the bonus claim list on the back of this sheet to record your locations as you visit them.

If you have not already registered, you can do so at the start with \$20 and a new, unwrapped toy. Doors for registration open at 7:00am. Riders will be allowed to leave at 8:00am. Riders have until 12:15pm to return to the finish and be scored in order to submit their raffle tickets in time for the 12:30pm drawing. Hamburgers and hot dogs will be served at the finish!

For those that do not wish to have to plan an individual route, there will be a designated IPD motor officer riding a set route to several local Harley-Davidson dealerships. It will not be an escorted ride but you are welcome to follow along and still earn some raffle tickets in the process.

We are providing the location and ticket information for the Blue Christmas Toy Run scavenger hunt. On the following pages, you will find the location name, address (and latitude/longitude coordinates), and opening time (if applicable). When you see 'points' listed, that means how many raffle tickets that location will earn you. **We have NOT listed what picture you must take at the location in this document but will provide that information at the toy run start.** You will be provided with a hand-out which will list all the information you see here as well as a reference photograph (your picture should match this reference photograph as much as possible) and a specific instruction on what picture to take.

You will also be provided, at the start, with a claim form to list the bonuses you take pictures of as you take them.

Remember at all times to practice safe riding. You do need to speed to have a solid finish. You will find your best performance will be directly related to how much time you spend stopped. The less time you take to stop, the more time you have to ride and collect pictures. If you go to a location that appears to be only on a roadway, find a safe place to park your motorcycle and walk over to get the picture. Please do not stop in the roadway to take your pictures. You will put yourself at risk of being hit by other vehicles on the roadway.

If you get to a location and the thing you need to photograph is gone (destroyed, out for repairs, relocated, etc) take a picture of where it is SUPPOSED to be and move on to the next location. If you have any questions or have an emergency, contact the ride coordinator, Sgt Tong, at 469-261-9730. Call, do not text.
